Supporting Children Through COVID-19

Serving Children *

In what capacity has the organization/group/individual served children? Is the work performed as an employee, volunteer, or both? Describe the quality and quantity of work performed, and how long have these exemplary efforts have been occurring? How many children have benefitted? Describe their role and why they warrant recognition.

Activities Supporting Advancement of Children *

Describe the activities of the organization/group/individual that exhibit exceptional work performed. How has the organization/group/individual represented the needs of children through their actions,

policies, and efforts? What unique programs and services are provided, and have they been able to include all children, including those with special needs.
